EXPERIENCE

SQL PROGRAMMER

Live Marketing LLC | Tampa, Florida | February 2023 - Current

- Wrote and maintained clear documentation describing program development, logic and corrections.
- Conducted full lifecycle software development from planning to deployment and maintenance.
- Monitored performance of programs after implementation, developing metrics for analysis and determining areas of improvement.
- Reported errors and issues through tools, clearly documenting impact and context.
- Established and executed program development plans detailing steps and schedules.

JUNIOR DEVELOPER/ TECH INTEGRATOR

ROI MACHINES | October 2022 - February 2023

- Creating Wordpress, Shopify and Clickfunnels Stores using Liquid, pagefly and elementor
- Setting up email automations for marketing purposes using ActiveCampaign

- Hard coding Custom HTML, Javascript and css for creative purposes
- Set up and manage CRMs such as Monday.com and Looker Studios to pull data on each client
- Use Zaps to create a flow for projects that don't have direct integrations such as
- Clickfunnels and Shopify
- Manage Ad Tech Stacks and Create Automatic reporting systems for client facing reports
- Study new technologies for productivity
- Create 2 new Tech SOP each week
- Troubleshoot and test client websites

FOOD AND BEVERAGE DIRECTOR

LE MERIDIEN | TAMPA | February 2022 - August 2022

- Successfully managed, led and supervised 40 employees across five restaurants to include managers and supervisors
- Modernized operations for the five restaurants to include creating a new Standard Operating
- Procedure which resulted with a higher customer satisfaction rate
- Decreased employee turnover by fostering a fun, productive and safe work environment
- Trained and managed supervisors and managers on the new SOP, budgeting and operations
- Managed budgeting for multiple restaurants and never exceeding set budgets
- Increased revenue from an otherwise failing restaurant within six months of My being there

FRONT OFFICE MANAGER

ALOFT TAMPA DOWNTOWN | September 2019 - February 2022

- Implemented a successful SOP to create a productive and organizational operation with staff to decrease turnover and unhealthy work environment
- Trained staff to create a consistent and honest work and guest flow throughout the entire hotel
- Managed budgeting for the rooms, bar, and lobby store and never exceeding set budgets
- Coordinating with other departments to make sure rooms and other outlets are working in sync with one another creating a constant guest turnover.
